

Health care is a human right!

We can have a health care system that covers everyone. A system that's publicly financed and privately delivered. A not-for-profit system that saves money, provides comprehensive health care, and lets you choose your own providers.

The Illinois Single-Payer Coalition is working to enact a single-payer system—Improved Medicare for All—in Illinois and the U.S. Congress. The bills have been introduced and we can make it happen...but we need your help!

Volunteer with the Illinois Single-Payer Coalition This Summer!

Help us build the movement—we'll teach you how. Join us at these events and more to march, distribute educational flyers, collect supporters' contact information, and most fun of all, talk with people about single-payer health care.

- Andersonville Midsommarfest, Chicago, June 12-14
- Goshen Community Market, Edwardsville, June 27, July 25, August 22, September 26, October 17
- Disability Pride Parade, Chicago, July 18
- Medicare 50th Anniversary, Chicago, July 30
- Northalsted Market Days, Chicago, August 8-9
- A farmers' market of your choice

To volunteer at an event, please email or call Anne Scheetz: annescheetz@gmail.com 773-486-6276. Look for more opportunities at our website, ilsinglepayer.org.
